

Directions for Using MuniAgenda to View City Commission Agendas & Back-up Materials

1. On the City's website (www.oaklandparkfl.org), click on "City Commission Agendas and Backup" in the "E-Government Services" box on the right side of the City's homepage
2. On the MuniAgenda page, click on the blue "Search" button
3. Click on the Meeting Date for the City Commission Agenda you are interested in viewing (Note: this system stores agendas from September 17, 2008. All other agendas should be viewed through the Public Record Search located in the same "E-Government Services" box)
4. The City Commission Meeting Agenda for the selected date will open in HTML
5. You can review any of the individual Agenda items in detail by moving your mouse over the item (it will appear in blue when your mouse is on the item) and clicking to open a new page with all of the backup attachments available for your review
6. Should you have any questions about using MuniAgenda, please contact the City Clerk's office at 954-630-4300
7. For high-speed Internet users, the entire Agenda and Backup can be viewed as a single document by clicking on the blue PDF button on the Agenda line. (Note: the complete Agenda book may contain 500 pages so download speeds may vary)
