

**Oakland Park Residents Only\***

# Residential Curbside Collection of Electronics

As of November 1, 2008, the City of Oakland Park began collecting residential electronics curbside. Used electronics are collected during the same week as residential bulk waste is picked up. To participate, Oakland Park residents are asked to call **954-630-4452** in advance of their regularly scheduled bulk collection week.

The following items **will be** accepted for recycling:

**Computers • Monitors • Keyboards • Mice • Printers • Modems • Fax Machines • VCR and DVD Players • TVs • Game Consoles • Cable Boxes • Stereos • Cell Phones • Rechargeable Batteries • Copiers**

Items that **will not be** accepted as part of the residential curbside electronics collection program:

**Electronics from Businesses • Microwaves • Small Kitchen Appliances**

Call **954-630-4452** for more information

The new electronics curbside collection program is a joint partnership between the City of Oakland Park and Broward County Waste and Recycling Services and Partner Cities.

\*The electronics recycling program currently excludes the 2005 annexed areas of Oakland Park.
