

Before School Enrichment Program

at
Rickards Middle School

Sponsored by:
City of Oakland Park
Parks and Recreation Department

Safety and security of the Rickards Middle School students and staff is a priority. School supervision officially begins at 8:45 a.m. In an effort to accommodate family needs we begin supervision and breakfast service at 8:30 a.m. Students are **not** permitted on campus prior to 8:30 a.m. without teacher permission. However, there are students that are dropped off prior to 8:30 a.m. These students are unsupervised and go to the corner plaza, the gas station, and elsewhere. This is a big safety concern. Therefore, in an effort to assist our families needing earlier supervision we are offering a Before School Program.

On March 1, 2010, the Oakland Park Recreation Department in cooperation with Rickards Middle School will start the Before School Enrichment Program for the students of Rickards Middle School. Our goal is to provide a safe and nurturing environment for all participants. The enrichment Program consists of computer lab, board games, and homework assistance.

Program hours are from 7:00 – 8:30 a.m.

Rickards Middle School Staff will operate and supervise the program

Registration begins February 16, 2010 and ends February 25, 2010.
